An ocean of options for your shipment!

CONTAINERIZED
Shipping

We have a multitude of solutions to ship your containerized to and from any part the world

At **Agencias Navieras Rannik** we specialize in the transportation of maritime cargo in containers, loose cargo, bulk cargo and project cargo management, including storage services, customs management and door-to-door transportation, through represented lines.

We offer services in all the ports of the Dominican Republic and we work with **direct routes, short transit and high frequency of departures**, at competitive prices.

For containerized cargo, we have a wide range of equipment: 20 and 40 foot containers, High Cube, Reefer (refrigerated), Open Top and Flat Rack, ISO Tanks.

Inland transportation of containers and general cargo, can be provided via our expansive fleet of trucks and **personnel with proven experience** transporting cargo to any part of the country always observing the **highest safety standards**.

Our professional staff is always available to offer personalized service and consultation.
