

STEVEDORING

RANNIK
AGENCIAS NAVIERAS

Our Service for all Cargo

At Agencias Navieras Rannik we offer stevedoring services for import and export shipments in all ports of the Dominican Republic. We have trained personnel available at all port as well as a varied assortment of equipment for loading and unloading of merchandise, whether it is loose, bulk, containerized and project cargo. We have the capacity to unload and transport any type of special cargo, whether heavy or oversized, with the highest safety standards.

At Rannik we carry out the stowage of coal, grains, steel, wood, pallets, cement, salt, fertilizers, chemical products, billet, wire rod, coils, big bags, soybeans, corn and metallic structures; also, all kinds of rolling stock and FAK.

Stevedoring

We have a fleet new state of the art equipment for handling of all types of cargo and with the capacity to for heavy lift projects.

Land transportation, we specialize in containers and general cargo to any point in the country. We have vast experience in project management and we can move special loads with the highest safety standards.

Our modern fleet of trucks allows the handling of all types of cargo with ease.

In case of emergency, all operations are assisted by a mobile workshop available 24 hours a day, 7 days a week. This rolling workshop is equipped with welding machine, air compressor, acetylene, spare tires, etc.
