

Logistics

Customized logistics solutions!

# Logistics

At **Agencias Navieras Rannik** we provide a diversified service within the maritime field that has made us worthy of the title "First in Dominican maritime trade", not only for offering our services for more than a century (1919), but for always being at the vanguard in the local market and in the continuous training of personnel.

Today Rannik has opened a wide range of services that allows us to respond to all freight transportation needs.

A quality service is not only defined by competitive rates and a timely response, the best solutions to specialized shipping needs must also be attained and the client must be accompanied throughout the process.

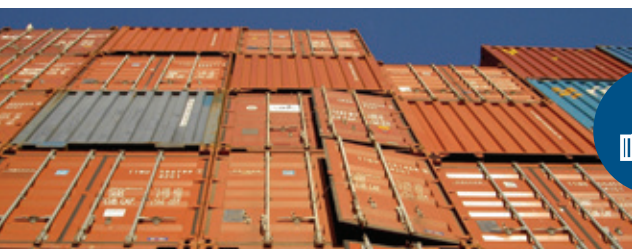

We comply with the control and security standards in the development of international trade activities; We have the BASC certifications and the Authorized Economic Operator (AEO) certifications that accredit us as a trusted logistics operator with customs authorities.

### OCEAN TRANSPORT OF CONSOLIDATED CARGO (LCL) AND FULL CONTAINERS (FCL)

We offer maritime transport services, both import and export, for consolidated cargo and full container loads, with a fast and efficient handling to and from any part of the world.

Our services include the shipment confirmation (bookings), the preparation of the bill of lading (B/L) for customs clearance and document management, the management of the Shipper Export Declaration (SED) in the case of cargo shipped from the United States and constant monitoring of shipments.

### RENTAL AND SALE OF CONTAINERS OF ALL KINDS

We have a large fleet of dry and refrigerated containers for rent or purchase. We also offer gensets for rent for reefer containers.

### WAREHOUSING AND DISTRIBUTION OF GOODS

In our warehouses we offer the following services:

- Loading and transfer of merchandise in containers
- Consolidation and de-consolidation of cargo
- Classification, relabeling and repackaging of goods
- Long and Short Term storage
- Fumigation of palletized packages
- Inclusion of labels for heavy, fragile or dangerous boxes
- Distribution of merchandise
- Inventory management

### MARINE OR AIR CARGO INSURANCE

We manage insurance policies through recognized intermediary insurers in the market with attractive rates.

### CUSTOMS MANAGEMENT

We have a highly trained staff in customs management offering the following services:

- Preparation of files
- Customs declarations
- Coordination of customs bonds
- Review of customs clearance
- Payment arrangement (collect payments)
- Assistance for the classification of products within the existing tariff framework
- Documentation for foreign companies

### AIR TRANSPORT

We coordinate the transportation of air cargo through strategic alliances with airlines specialized in the handling of international cargo, with competitive rates and daily departures.

### LAND TRANSPORTATION AND CARGO HANDLING

At Rannik we specialize in the transport of containers and general cargo to any destination in the country. For this we have a large modern fleet of trucks, highly trained drivers and a staff with vast experience in all types of cargo, both containerized and heavy, always employing the highest safety standards.

In case of emergency, all operations are assisted by a truck-workshop available 24 hours a day, 7 days a week. This rolling workshop is equipped with welding machine, air compressor, acetylene, spare tires, etc.

### CONTAINER CLEANING AND REPAIR

We provide container cleaning and repair services in our specialized workshops in Haina and Caucedo.

### CARGO HANDLING

We coordinate your shipments with specialized lines for each type loading

- Roll on / Roll off (equipment on wheels) such as cranes, buses, cars, trucks, power plants, etc.
- General cargo such as steel, wood, liquid and solid bulk cargo.
- Heavy / oversized cargo (Heavy Lift) in dedicated or shared boats specialized in handling complicated loads.
